THE COLORADO SPRINGS SCHOOL

BUS SERVICE REGISTRATION 2010-2011

The Colorado Springs School offers bus transportation at various locations throughout the Colorado Springs region. In order to determine this year's pick-up and drop-off locations there must be a minimum of 4 riders at each stop. Once we are able to determine the pick-up and drop-off locations, we will be able to establish pick-up and drop-off times. You will be notified directly by the Transportation Department after August 1, 2010.

If you would like Bus Service, please complete this form and mail it in no later than July 23, 2010.

From the list below, please mark your first and second choices for desired pick-up and drop-off locations. Return this form to CSS with a reservation deposit of $100 per student. The remaining balance will be billed equally over 8 months (September thru April). If you have any questions about the bus service, please contact the Business Office at 475-9747 or transportation coordinator Bill Jensen at 640-6259.
