## **DONALD ENGLISH SCHOLAR AWARD APPLICATION PROCEDURE**

The Colorado Springs School recognizes that many students can benefit from the experience we provide and in turn add a great deal to the school community. The admission procedure attempts to identify these individuals. Students with a variety of talents, interests, and abilities are enrolled. A student with strong personal qualifications, potential for future college study, and a supportive family to guide and encourage him or her generally is admitted.

Attached are the forms you will need to complete an application for the Donald English Scholar Award. Students should turn in applications by Wednesday, December 2.

### **CHECKLIST FOR THE APPLICATION PROCESS**

- 1. Complete Application for Enrollment (Parts I and II)**
- 2. Interview**
- 3. Complete Scholar Applicant Essays**

**Your application is complete when all materials are received and you have had an interview specific to this scholarship.**

**Please mail all admission materials to:**

**Office of Admission  
The Colorado Springs School  
21 Broadmoor Avenue  
Colorado Springs, CO 80906**

#### **STATEMENT OF POLICY**

The Colorado Springs School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate in the administration of its educational policies, admission policies, scholarship or loan programs, and athletic and other school-administered programs.

*Applicant, please choose three of the five essay questions and write a minimum of 250 words on each separate response. Please answer these questions in your own handwriting on additional sheets of paper.*

1. What do you see as the leading challenge for your generation?
2. How do you define integrity?
3. If you could add anyone to your family, who would it be and why?
4. If you could be invisible for a day, what would you do and why?
5. In order to save the environment, the President of the United States has commissioned you to create an invention that will alleviate global warming. What is the function of your invention?
