

**Colorado Springs School Parents Association Volunteer Opportunities**

*Proceeds from the following Parents Association fundraisers are used for professional development, staff appreciation and financial gifts to the school. Your volunteer support is appreciated.*

Please check all items that are of interest to you and return this form to the Parents Association mailbox in the Trianon or mail to 21 Broadmoor Avenue, Colorado Springs, CO, 80906. A committee representative will be contacting you to provide details.

- Albertsons Cards: Encourage the CSS community to sign up for the Albertson's card program, which provides money to us when the card is swiped at checkout. Volunteers can help with this ongoing program by ensuring that our parent community has their Albertsons cards and they are registered to benefit CSS.
- Carnival: Our largest fund-raising event begins at 12:15 on Friday, October 2, 2009. Over 100 volunteers are needed to organize and staff the Carnival. Volunteers are needed to organize game booths, provide baked goods, sell tickets, count tokens, set-up, tear down and more.
- Fun Run: One of our major fundraisers takes place at 12:10 on Friday, October 2, 2009. Volunteers are needed to solicit advertising for Fun Run T-shirts, run with the kids, staff the route and more.
- Faculty/Staff Appreciation: October 21, 2009, and January 28, 2010 are days in which we provide a luncheon for the faculty and staff. Help is needed to set-up, decorate, serve, and clean up for these events. Volunteers can also help by making homemade desserts, which are a special part of these occasions.
- Sally Foster Gift Wrap and Growkids is a fundraiser, which requires volunteers to help stuff envelopes, give out catalogs and distribute merchandise. Volunteers are needed in early October and mid-November.
- Garage Sale: This spring fundraiser involves many volunteers to help set-up and run the event during the week prior to the Saturday sale, April 10, 2010. We welcome all hands to ensure that this one-day event is organized and fun. This event is made possible by the donation of your gently used clothing, sport equipment, household goods, furniture, etc. Please be sure and to look for the announcements beginning in late winter as to where you can donate your items.

Kodiak thanks and appreciation!
