THE COLORADO SPRINGS SCHOOL TO HOST *JACK FROST: A RETROSPECTIVE*

Colorado Springs, Colo. – The Colorado Springs School (CSS) invites the public to attend an Opening Reception for artist Jack Frost at the Louisa Performing Arts Center on **Friday, November 2nd, 2007 from 7 – 9 p.m.** *Jack Frost: A Retrospective* will feature oil paintings, drawings and sculptures. Paintings filled with soft, muted colors, Frost's art often depicts familiar Colorado and southwestern landscapes. The artist will provide a gallery talk. As a retired high school art teacher, Frost's lessons for students and observers are focused on three basics: composition, color and contrast. Works on exhibit will be available for sale and purchases benefit The Colorado Springs School Visual and Performing Arts Series. The exhibition kicks-off a series of visiting artists at The Colorado Springs School who will be on display throughout the year. A collaboration and outreach of artistic effort the Thursday Night Recital Series and Visiting Artist Program enrich student study, support the local arts scene and welcome the community and neighbors to the Colorado Springs School campus.

"The Visiting Artist Program allows students to draw on their own unique talents as they examine the works and lessons of accomplished artists, and we are fortunate to have these artists working hands-on in the classroom," said Hans Wolfe, Middle School and Upper School Art Teacher at the Colorado Springs School. "As we move through the year, the Gallery in Louisa will also showcase the inspired works of CSS students."

To learn more about CSS and artistic events open to the public, please contact Director of Communications, Jessica James at (719)434-3506 or visit www.css.org.

About the Colorado Springs School (CSS)

CSS offers an experiential educational curriculum for preschool – 12th graders. Through superior academics and mentoring, The Colorado Springs School prepares students to think independently and to meet the needs of a dynamic world with leadership, ingenuity, problem-solving skills, and personal integrity.
