

## BUS SERVICE REGISTRATION

The Colorado Springs School offers bus transportation at various locations throughout the Colorado Springs region. In order to determine this year's pick-up and drop-off locations there must be a minimum ridership at each location. Once we finalize the pick-up and drop-off locations, we will fine tune pick-up and drop-off times. You will be notified directly by the Facilities Director before the start of the school

**If you would like Bus Service, please complete this form and return to Ann Runte in person or via email at [arunte@css.org](mailto:arunte@css.org) no later than July 29.**

From the list below, please mark you desired pick-up and drop-off locations. Return this form to CSS with a reservation deposit of \$100 per student. The remaining balance will be in two equal installments August and January. If you have any questions about the bus service, please contact the Facilities Director, Gil Vasquez, (719) 649-8075.

**Please indicate your preferred location. All bus routes will be established based on demand.**
