

## BUS SERVICE REGISTRATION

The Colorado Springs School offers bus transportation at various locations throughout the region. All bus routes are thoughtfully established based on demand; there must be a minimum ridership at each location. Pick-up and drop-off locations and times may be fine tuned based on ridership throughout the year.

If you would like Bus Service, please complete this form and return it to Ann Runte in person or via email at [arunte@css.org](mailto:arunte@css.org).

From the list below, please mark you desired pick-up and drop-off locations. If you have any questions, please contact the Facilities Director at (719) 434-3553.

**Please indicate below, your preferred location and circle your desired transportation service (round trip, late bus, etc.)**
