Established in 1962, The Colorado Springs School is a college-preparatory, day, and international school serving students from preschool through high school. We proudly serve students from 35 zip codes across the Pikes Peak region, as well as international students. The school sits on 28 acres with eight buildings that include an innovation lab, a 300-seat performance theatre, art studios, a field house gym, and athletic fields.

CAPTURING THE COLORADO SPRINGS SCHOOL

PHILOSOPHY

The Colorado Springs School is a college-preparatory school based on the belief that the closer the link between learning and experience, the more meaningful the resulting knowledge will be. Our goal is to prepare students for college and for life by equipping them with thinking and problem-solving skills, self-confidence, compassion, and a love of learning. We prepare students to meet the challenges of a dynamic world.

RELATIONSHIPS

Small class sizes mean teachers and students connect one on one. Students are known by every teacher and receive extensive, individualized feedback. Each student has a faculty advisor who monitors academic progress, establishes a supportive relationship, and communicates as needed with parents. CSS incorporates the Yale RULER Program, where students cultivate social and emotional skills that help them develop into healthy adults.

EXPERIENTIAL EDUCATION

At CSS, students learn by doing. Our programs immerse them in hands-on activities in the classroom and beyond. We explore through curriculum-based seminars and adventures, both locally and across the globe. Intentional challenges stimulate students' academic and social growth.

CLASS OF 2019 FAST FACTS:

- **Average ACT Score: 30**
 - * National Average: 21
 - * Colorado Average: 20.8
- Average SAT Score: **1360**
- **\$3.1 million** in merit scholarships received
- **94.3%** reported AP Scores of 3 or better

AFFILIATIONS

Accredited by the Association of **Colorado Independent Schools (ACIS)**

ACADEMIC INFORMATION

AP AND ADVANCED COURSES: CSS offers 18 AP Courses and Advanced Courses. Students are eligible to take AP courses as early as their sophomore year.

CALENDAR: Our academic schedule maximizes the number of courses we offer. A block system with periods lasting 45 or 90 minutes allows students to earn full-year credits in the first half of the year for certain classes. The longer periods enable in-depth discussions, field experiences, and lab work.

COLLEGE PLACEMENT: One hundred percent of all CSS graduates go on to initiate a post-secondary educational experience.

SIGNATURE LEARNING EXPERIENCES

EXPERIENCE-CENTERED SEMINARS (ECS)

Each March, students embark on a three-week intensive study known as Experience-Centered Seminars. The curriculum is anchored by essential questions that require a multi-disciplinary approach. Though each one explores a unique theme, geographic location, and variety of immersive experiences, all are unified by rigorous and academic inquiry. ECSs have included studying geothermal energy in Iceland, the local homeless challenges in Colorado Springs, and biodiversity in Madagascar.

SENIOR CAPSTONE

Seniors embark on an individualized, student-generated Capstone for three weeks at the end of their senior year. They identify their

area of interest, envision their own project, conduct interviews with professionals outside of CSS, and secure a community mentor. The project culminates in a presentation to outside mentors, faculty, peers and parents. Capstones help students explore potential career goals.

DIGITAL PORTFOLIO

Students deepen their learning and strengthen their skills by reflecting on experiences in Digital Portfolio, an online digital collection of their best work. They select pieces as "artifacts" that capture their understanding of one of eight capacities such as leadership and teamwork and global perspective. Digital portfolios provide a longitudinal record of learning for students and prospective colleges that is more real and comprehensive than standardized testing.

CURRICULUM AND GRADUATION REQUIREMENTS

Our AP courses, bolded below, are the most rigorous courses we offer in each discipline and students are prepared for the appropriate AP exam. A minimum of 31 credits are required for graduation.

English

4 Credits Required
English 9 World Literature & Composition
English 10 European Literature & Composition
English 11 American Literature & Composition
English 12 Senior Seminar
AP Language & Composition
AP Literature & Composition

Science

3 Credits Required
Biology
Chemistry
Introduction to Computer Science
Physics
Environmental Science
Anatomy & Physiology
Astronomy
AP Comp Science Principles
AP Biology
AP Chemistry
AP Environmental Science

History

3 Credits Required
Global Studies & World Geography
World History
US History
AP US History
AP Comparative Government & Politics
AP Psychology
Microeconomics
Macroeconomics
AP Micro/Macro

Mathematics

3 Credits Required
Geometry / Advanced
Algebra II
Function, Statistics, Trigonometry (FST)
Advanced FST / Precalculus
Statistics
Investment & Finance
AP Statistics
AP Calculus AB/BC

World Language

3 Credits Required
French I, II, III, IV
Spanish I, II, III, IV, V
AP Spanish
Spanish Literature

Arts

2 Credits Required
Art Foundations
Band
Vocal Ensemble
Maker's Theatre
Acting
Woodworking
Painting
Video Production
Yearbook
Glass
Ceramics
Digital Photography
Jewelry
Advanced Art
Portfolio & Studio Art

Experience Centered Seminar

(one each year)
4 Credits Required

Athletics/Activities

4 credits Required
Competitive varsity sports include soccer, volleyball, basketball, cross-country, tennis, and mountain biking.

Year of Model UN, Theatre, or 50 hours of Community Service (per semester)

General Electives

3 credits Required
